RE: Application Number: 10/634,519
Filing Date: 08-04-2003

Dear Mr. Alfred J. Wujciak;

Thank you for taking the time to talk to me last January 11th regarding my request to extend the filing of a response beyond the January 19, 2006 deadline for my Patent Application Number 10/634,519.

Attached, please find a Check (Check #4152) in the amount of US\$510.00 for the three (3) month extension that you mentioned over the telephone.

As I have also mentioned to you, Atty Vic Y. Lin of the law office of Myers Dawes Andras & Sherman LLP no longer represents me. Although I do not have the technical expertise as a lawyer would have to present my case, and to properly present my petition in the format that you normally get from a law firm; I would present my petition in a straight to the point and simple (layman's) terms – that I strongly feel would clarify the differences of my application to the other approved patents.

Thank you for your consideration.

Sincerely,

NESTOR TAGLE
